Mostly True: The Story Of Bozo Texino (Real World)

Synopsis

In this companion book to the film "Who Is Bozo Texino" (shot entirely aboard speeding freight trains), Daniel mixes experimental and documentary to provide a captivating look at a little-known art form--hobo boxcar graffiti . Tracing the origins to boxcar graffiti from over 100 years ago, Daniel follows rail graffiti's evolution to modern day hobo gatherings, freight hopping trips and secret hobo jungles. Along the way Daniel interviews numerous old timers who have spent years on the rails drawing their monikers, among them graffiti legends Colossus of Roads, The Rambler, Herby (RIP) and yes even the ever-illusive Bozo Texino. The interviews provide a fascinating glimpse into the harsh realities of tramp life.

Book Information

Series: Real World (Book 19)

Paperback: 96 pages

Publisher: Microcosm Publishing (April 30, 2008)

Language: English

ISBN-10: 0978866525

ISBN-13: 978-0978866525

Product Dimensions: 9 x 6 x 0.5 inches

Shipping Weight: 6.4 ounces

Customer Reviews

For young and old, anyone with wanderlust and an urge to draw on the side of a rail car, and the simply curious.....What is it all about?! Who IS Bozo Texino? What's with all of these old advertisements? Which ones are the REAL advertisements? This book is a real work of art and informative in a sufi sort of way.If you have the movie, "Who is Bozo Texino?" then you gotta have this book.If you get this book, you will HAVE to get the movie.It's a mysterious path to the land of the hobos, the drop outs, the misfits, the wandering souls. It's about riding the rails and surviving without a steady job.You may not know this, but the author, Bill Daniel, is an artist and film-maker. He rode the rails and took a movie camera. He was looking for the guy who drew all of those Bozo

Texinos. He survives without a 9 to 5. You know, it's hard to get a handle on exactly what is so special about railroad graffiti and those who hop freights and so on....BUT IT IS FASCINATING. Hop this! Unravel the mystery. google bozo texino stock exchange

I picked this up because I really enjoyed Bill Daniel's documentary "Who is Bozo Texino?" There is a good overlap to the material. Some of it is a duplication from the film, but I didn't feel like I got ripped off. I really enjoyed reading the stories in here. Not recommended for anyone not interested in the lives of hobos and rail workers, highly recommended for anyone who is.

A quirky little book dealing with an admittedly pretty obscure topic (hobo graffiti). For those with an interest in this subject, it is an enjoyable bit of nostalgic Americana. I'd recommend it as background for the equally quirky and enjoyable film "Who is Bozo Texino?"
