Traditional hymns in Spanish. The paper is poor quality but the content is there. I wanted something that had the Spanish lyrics of the English Baptist Hymnal. This was the only option that fit the bill. Also, the print and pages are a little smaller than various English hymnals I use for reference. That said, a decent reference but I would hope that a Spanish Language publisher would put out an updated version with better print and paper.

This is an extensive compilation of Hymns in the Spanish Language. Well done and easy to read. I am looking for the English version to accompany this one.

This version has the piano music and chord notation. I enlarge the pages to make it easier to read. Gracias Senor, Amen...

While the content is fine, and comprehensive, the binding material is cheap, this hymnal is not going to last long over time..

Great Hymnal;I just haven't had much of an opportunity to use it yet.I am attending a Spanish church today so who knows it may still work out.
