Customer Reviews

This is a good guide to follow one's dream to become a DJ and more money, got this for my brother.

DJ is never easy, you need to have experience with more than one operating system as technology can often backfire, and it's always good to be prepared. Networking and social media skills also are vital for any DJ to build up a fan base. It's important to get to know Promoters, Talent Buyers, and other DJs. There are so much tips in this book. Recommended!

How to become a DJ makes me really wondered until I got to experienced this wonderful book of George K. I'm a music lover and I guess being a disk jockey will definitely be fun. I found this book to be very helpful. It contains a lot of information about how to be a DJ and a lot of useful and very informative facts about it. The book is very well explained and it does offers knowledge to the reader. It's fun to read with as well. It's a kind of book that I can highly recommend. I like it.

This short book describes how anyone become a DJ. This book contains proven steps and strategies on understanding and knowing what you need to become a DJ. Being a disc jockey is all about playing music. Are you interested in becoming one? This book will help you out as this contains information of the different kinds of DJs, plus how each kind functions. You also get to know some of the perks you get for being one.

I never thought that such a practical activity like DJing could have a theoretical approach. This book however, has proven me wrong on so many level. The author has crafted a very doable way of becoming a DJ it i written in an easy to follow manner suitable for every beginner and anyone who wants to touch base with their DJing experience.

I want to become a DJ and have purchased this book to learn about this profession. The author explains what the job of DJ is, what equipment do you need and how to learn a skill of being a DJ. I liked a conversational tone of the book as well as very practical tips. If you ever thought of becoming a DJ this book is for you.
