Renée Green: Ongoing Becomings 1989-2009

Synopsis

This is the first comprehensive monograph devoted to New York and San Francisco-based artist RenÃ© Green. Over the past 20 years, through film, video, sound art, photographs, prints, banners, texts, websites and ephemera, Green's work has comprised complex, multi-layered archive-like installations, employing a vast array of sources, which always urge viewers to become active participants. Included in this superbly illustrated volume are newly commissioned essays by a host of esteemed media scholars, art historians, critics and curators--Nora Alter, Diedrich Diederichsen, Kobena Mercer, Catherine QuÃ©loz, Gloria Sutton and Elvan Zabunyan--who engage issues central to Green's oeuvre, such as genealogy, archives and their reworkings, movements and displacements, site specificity and location.
