## Customer Reviews

After reading this my kids have fallen in love with the character ' Little Charmander' who is the central character in this book.Very cute, funny and entertaining story. Good read for pokemon and pokemon go lovers

It was time that we see how the others Pokemons live, with their perspective. I am loving read about the life of Charmander, love this new series and again the author Red Smith amazed me with this new book. Loving it!

The Pokemon fans will absolutely love it, the book has a catchy and humorous Pokemon story which is perfectly suitable for kids, and it is a great read for young children and grown-ups alike. The story line is kept peppy with great slapstick humor and the writer manages to capture the audience interest till the very end.

Till the last book we were in love with Pikachu, but in this book Charmander took the center stage and we are completely fallen for his cuteness. I bought it for my kids but more than my kids I am excited about it. It is a good read with a dose of humor in it. I highly recommend it.

Such an amazing book! I love it and my children love it so much. We always talk about the events and the characters. It is full of fun. What a great job of creativity!
