The Hobbit (Lord Of The Rings)

Synopsis

Now a major motion picture A great modern classic and the prelude to THE LORD OF THE RINGS
Â Bilbo Baggins is a hobbit who enjoys a comfortable, unambitious life, rarely traveling any farther than his pantry or cellar. But his contentment is disturbed when the wizard Gandalf and a company of dwarves arrive on his doorstep one day to whisk him away on an adventure. They have launched a plot to raid the treasure hoard guarded by Smaug the Magnificent, a large and very dangerous dragon. Bilbo reluctantly joins their quest, unaware that on his journey to the Lonely Mountain he will encounter both a magic ring and a frightening creature known as Gollum.â œA glorious account of a magnificent adventure, filled with suspense and seasoned with a quiet humor that is irresistible . . . All those, young or old, who love a fine adventurous tale, beautifully told, will take The Hobbit to their hearts.â • â “ New York Times Book Review

Customer Reviews

I just wanted to take the time to update anyone who is interested in purchasing this illustrated edition of The Hobbit. As you probably know, there aren't many illustrated editions of the hobbit and most that are illustrated aren't all that incredible. So far, my favorite edition has been the one by Alan Lee. I must say, it's hard to top his work. Alan Lee really helped bring the story to life for me

when I first read this incredible adventure by Tolkien. However, because I believe that The Hobbit is a tale directed at the hearts of children and adults that are young at heart, I believe that Jemima Catlin's illustrated edition has topped even the great Alan Lee's. First off, the quality of this book is excellent. The book has been wrapped in cloth so the book feels high quality and soft to the touch. Also, the cover has a beautiful illustration from the book that includes carefully placed gold etching on the leaves, title, and author's name. This really gives the book a nice luster and shine. The book doesn't come with a book jacket and honestly I think that was smart based off of how high quality the book feels and looks. It just doesn't need a cheap paper jacket to cover such a beautiful looking book. The illustrations that are presented in the book are a thing of beauty. Not only are there a great many (every two or three pages or so) but they are incredibly colorful and really pop when you look at them. I do think the illustrator's style is to appear more colorful and simple at first glance, but at the same time you will look at the illustrations carefully and see the amount of time and effort that she put into this work. I love this style of simplicity and use of color.
