CROWDFUNDING: How To Get Investors To Invest In Your Business In 20 Seconds Or Less

Synopsis

Getting investors to invest in your company can often give you the chance to see your dreams come true and live the life you truly want to live. Gary Spirer, author of best-selling Crowdfunding book on , Crowdfunding: The Next Big Thing, discloses in "CROWDFUNDING: How To Get Investors to Invest in Your Business in 20 Seconds or Less" how precious time is to investment, business and life. How he avoided a fatal disease and had the time to reveal his money-raising secrets that throughout his 30 + year investment banking career never once failed to raise the money for his clients or his companies - 100% success vs, the 1% industry average.

Customer Reviews

Great book that gives you lots of insights to get your Investors to believe in you and to trust you by investing in you. Short and great to read, you will not stop until you are at the end! Read it, put it into Action and get results!

I find this book an interesting read about crowdfunding, although I have not completed it yet. I have read enough to recommend it to others who are researching this option.
