All of the songs are easy to play--a minimal amount of incidentals & 1/16th notes. This includes a plastic baroque descant/soprano recorder & it plays pretty well. It has now become one of my "travel recorders" that I pack along in a bag. I'm so glad I bought this book & recorder set.

My 7 year old loves this and was able to play some of the songs within a few days. There are harder songs as well, so it is a book we will use for awhile!

Perfect! My daughter just loves her recorder.. They play at school. She wished for one at home to "practice" This one seems to fit the bill & some. She loves the color & I love that it can be taken apart & easily cleaned!

It's great not just for teaching my kid how to play the recorder, but because the music is written so

simplistically, he can learn to play the music with the expression and emotion normal to the songs.

Easy instructions to get started and familiar songs. Recorder quality good for price. Great gift for children and easy enough for them to get started.

having so much fun with learning the songs for Christmas!! easy to learn and i would recommend this to someone just learning.

This item came as expected. There was not surprises. It is exactly as described. We are enjoying playing our Christmas music.

This book was perfect for my fourth grader who wanted a little more than the music offered though school. These holiday songs were easy for her to learn with no help.
