Customer Reviews

This DVD is a lifesaver and a MUST for PE teachers of all grade levels, as well as for people who want to learn dances from other cultures. I have used this DVD at all grade levels K-12. I learn the dances myself from the DVD and teach them to the younger students directly. However, I show the DVD to the older students while I walk around and help students individually and in small groups. I am able to teach the NASPE and California State PE Standards with the material on this DVD. I would NOT be able to do this if I didn't have this DVD. I own more than 10 Christy Lane products and ALL of them are extraordinary. Worth the money. They are an investment in our children. THANK YOU CHRISTY!

Good step by step instructions
