Travis Pick The Hits!: 12 Popular Songs Arranged For Solo Fingerstyle Guitar

Synopsis

(Guitar). Travis-picking is a fingerpicking style that uses on-the-beat, alternating bass patterns picked by the thumb to support treble notes picked by the fingers. This book presents a dozen classic songs from a variety of genres and eras arranged beautifully in this distinctive style for intermediate to advanced fingerpickers. Songs include: Fields of Gold * Clocks * Happy Together * Brown Eyed Girl * House at Pooh Corner * Moonshadow * She Will Be Loved * In the Summertime * I Will Follow You Into the Dark * Jennifer Juniper * Walk Away Renee * Three Little Birds. The accompanying CD is a full-length, stand-alone listening recording. "I keep running into folks who have attended your camp and they play great arrangements that you taught them. Well done, Mark!" Pete Huttlinger, national fingerpicking champion.

Customer Reviews

These are some of the best guitar arrangements from Mark Hanson. All the song arrangements in the book are in the enclosed CD. Mark Hanson plays all of them superbly and there's mid level and advance versions for you to try out and improve within the same song. Highly recommended for all serious fingerstyle guitarists. Mark - thanks for including the CD together with the book. Appreciate that we do not have to buy a separate CD to listen to these wonderful guitar pieces.

I think Mark Hanson is one of the best arranger for fingerstyle guitar. I love his books. Well sounding tunes. I recomend this book.

Some great arrangements such as Clocks, Happy Together, She Will be Loved and a couple more. This has some of Mark Hanson's best arrangements imho.

Great book with great arrangements. The CD sounds good too.

Excellent playable arrangements that capture the melody and brings out the tonal qualities of the guitar.
