Customer Reviews

Fantastically challenging and well written standard for Trombone. I recently studied and played most of this for my collegiate jury piece. I have ordered several pieces over the years from this particular publisher, and they are personally one of my favorite. The covers are a very high quality, sturdy embossed paper. As far as I know, none of the printing, translations, or revisions are incorrect or wrong. I would recommend this to anyone.

The Hindemith Sonata is a must for any trombonist, so I'm reviewing this edition. It's very nice! Everything is laid out nicely with readable fonts. Hope you know your clefs!
