## Synopsis

**SPECIAL DEAL!!!** Buy the paperback version of the book NOW to receive the kindle version (\$2.99) for FREE! Warren Edward Buffett is a legendary investor and one of the most respected businessmen in the world. He is the chairman, CEO and the largest shareholder of Berkshire Hathaway. Among investing legends, Buffett has had the longest track record for beating the market. Berkshire Hathaway's stock price increased by a mind-blowing 1,000,000% between December 1964 and December 2015. The S&P 500, on the other hand, increased by "only" about 2,300% over that time. While the Efficient Market Hypothesis states that in the long term, no investor should be able to beat the market, Buffett has beaten the market in a remarkable way. So what is Warren Buffett's secret for being so successful at picking the right stocks? This book will reveal 41 fascinating facts about his life and investing philosophy. Each fact comes with a lesson that the readers can take away. On How To Get Rich, Become Successful & Dominate Your Personal Finance From The Greatest Value Investor Of All. This is a perfect book for any beginners who are looking into stock investing!

## Customer Reviews

It was good for me to know so much about an inspiring entrepreneur. Despite being uber rich, Buffett has been able to avoid the trappings of an extravagant life. He loves to take time out to do all the things that ordinary folks would do. For him, it is the quality of one's life that matters more than the money that one makes. To quote Buffett, If you get to my age in life and nobody thinks well of you, I don't care how big your bank account is, your life is a disaster While material goods can bring momentary happiness, Buffett has learned the important truth that they cannot ever give lasting peace.

Warren Buffett became a very successful person in his unique way. While reading the facts about him, you may say that his beliefs are the opposite of what many people think, but this made him unique and successful. If you are into investing in stocks, this book will be a big helping achieving your dreams in life. For me, to be like him is to be unique in your way. You also have your own idea, don't stick with what others believe or what others say. Maybe doing your own idea will be your key to your dreams.

Inspirational! This biography is Warren Buffet is very learning one. Buffet is very successful person. I got a huge information about the strategies. Simple living high thinking is appropriate title for Buffet. If we want to start any new business or Job, we should read the biographies of people successful in that field. It helps us a lot. Author has written this book in very comprehensive way.

The 41 fascinating facts about Warren Buffet's life and investing philosophy given in this book has been very inspiring for me. It has given me a side of Buffet that I didn't know before. And I'm positive that anyone reading this will be enlightened too. And what is amazing to note is that in every fact given here, there is a lesson to be learned. Yes, this book is a worthy catch.

One of the best thing i did so far is reading a book like this about WARREN BUFFETT. It is truly awesome. The strong principles which made him a successful investor is a worth reading by everyone. I like his simple nature being like a common men despite of having riches and ranked top most billionaire in the world. The book has lot of facts which in fact can inspire anyone if you read it once. Thanks.

This book is clearly written with skill and accurate grammar, nicely laid out with headings and sub-heads. I was struck by the variety of "empowering lessons" -- On Being Successful ... On

Personal Finances ... For Success in Business ... In Philanthropy ... In Integrity ... and Perfect Imperfections."

To be honest, I have no idea who Warren Buffet is and what he did. I think it is really fascinating that he contributed a lot in the industry and especially in entrepreneurship. The book discussed about his accomplishments and it will motivate you to do your best.
