Beginning Argentine Tango: To The People Who Are Interested In Dancing Argentine Tango--This Is How To Do It

Synopsis

Argentine Tango is awesome to watch in shows, and dancing it is famously addictive. However, many people are afraid to take a step to actually dance Argentine Tango. Instructors can teach only the Brave, who actually show up in a class. This book is intended to reach out to all people curious about dancing Tango. This book will get you prepared to dance Argentine Tango. Excerpts from Introduction: "This book is written with one purpose: to provide practical working knowledge for actually dancing Argentine Tango on the dance floor from a dancer's standpoint." "In other words, I wrote this book for the girl whom I met on the Salsa floor and wanted to learn Argentine Tango, for the guy who asked, "wow, that was cool. Can you show me the move again?" and for the couple who watched TV shows and wanted to learn Argentine Tango for their Anniversary." This book explains; Characteristics of Argentine Tango as a Dance, What to Wear, the Music, Floor Usage in Milonga (Argentine Tango party), How to Embrace, the Axis, Six Basic Elements and additional elements, and much more. By reading this book, you'll know; What they are doing in the Tango routine on TV shows Why the step practice you did to learn Salsa doesn't work well for learning Argentine Tango Why Ballet dancers and Figure Skaters are ready to dance Argentine Tango What is the most Important job for the beginning Tango Leader and the Follower, etc. [PS. Reasons to read this book] Money: Learning Argentine Tango from the beginning with instructors costs money. One 1-hour group workshop is priced between \$10-\$35, and a private lesson costs \$40-\$80 (or more). This book saves you money. Time: This book gives you guidance, helps to shorten your learning time, and prepares you to enjoy Argentine Tango sooner and faster. Power: Knowledge is power. This book empowers you on the dance floor. At the bottom line is that the authors wish to help you get started for dancing Argentine Tango. Soon it will become your journey. This book is so easy to read and really breaks down a very complicated dance into very simple, easy to follow directions. Argentine Tango can be a very intimidating dance to learn but if you start with this book, it makes it much less daunting. The book teaches you common terminology so you aren't confused when you walk into a dance studio and provides pictures that allow you to practice at home and become comfortable before you ever start a class. It is also ideal for people who already dance Argentine Tango, it teaches not only the steps, terminology, etiquette but also musicality which is something even advanced dancers need to learn or can improve on. I highly recommend this book, especially if you start to look for other books on this subject. This is the best choice by far....

I started learning West Coast Swing, and it has been so much fun. I saw an Argentine Tango at a party, and knew I had to try it. But it's a totally different dance than West Coast Swing. This book was really helpful and boosted my confidence starting out. I definitely recommend it!

This is an easy to follow, well written, and concise, description of the techniques used in Argentine Tango. The only thing better than this book is to take classes with an instructor. It also serves as a refresher of the principles used in class.

It was enjoyable read and increased my knowledge of Tango enough to say I don't think I will take the effort to learn it seriously but will continue to watch Tango shows. I had been to Buenos Aires so I wanted to expand my knowledge about Tango.

the photos were too small to illustrate the dancers leg positions.

This actually is an interesting book on Beginning Tango - while nothing can replace a good teacher and Milonga to learn Tango, this book is really a great start.
