Twelve Years A Slave

Synopsis

Official Movie Tie-in Audiobook for the Academy Award's Best Picture and Golden Globe's Best Drama winner. New York Times and USA Today Bestseller. In this riveting landmark autobiography which reads like a novel, Academy Award and Emmy winner Louis Gossett, Jr., masterfully transports us to 1840s New York, Washington, D.C., and Louisiana to experience the kidnapping and twelve years of bondage of Solomon Northup, a free man of color. *Twelve Years a Slave*, published in 1853, was an immediate bombshell in the national debate over slavery leading up to the Civil War. It validated Harriett Beecher Stowe's fictional account of Southern slavery in *Uncle Tom's Cabin*, which had become the best-selling American book in history a few years earlier and significantly changed public opinion in favor of abolition. Experience our official movie tie-in audiobook for the award-winning motion picture, directed by Steve McQueen and starring Chiwetel Ejiofor, Brad Pitt, Paul Giamatti, Michael Fassbender, and Lupita Nyong'o. This audio edition with an accompanying custom map is based on the research of Dr. Sue Eakin, the nationally recognized authority on Solomon Northup who spent a lifetime authenticating his story. Hard working Solomon Northup, an educated free man of color in 1841, enjoys family life with his wife and three children in Saratoga, New York. He delights his community with his fiddle playing and antic spirit, and has positive expectations of all he meets. When he is deceived by "circus promoters" to accompany them to a musical gig in the nation's capital, his joyful life takes an unimaginable turn. He awakens in shackles to find he has been drugged, kidnapped and bound for the slave block in D.C. After Solomon is shipped 1,000 miles to New Orleans, he is assigned his slave name and quickly learns that the mere utterance of his true origin or rights as a freeman are certain to bring severe punishment or death. While he endures the brutal life of a slave in Louisiana's isolated Bayou Boeuf plantation country, he must learn how to play the system and plot his escape home. For 12 years, his fine mind captures the reality of slavery in stunning detail, as we learn about the characters that populate plantation society and the intrigues of the bayou - from the collapse of a slave rebellion resulting in mass hangings due to traitorous slave Lew Cheney, to the tragic abuse of his friend Patsey because of Mrs. Epps' jealousy of her husband's sexual exploitation of his pretty young slave. When Solomon finally finds a sympathizing friend who risks his life to secret a letter to the North, a courageous rescue attempt ensues that could either compound Solomon's suffering, or get him back to the arms of his family. AUTHENTICATION: Northup's harrowing first-hand account was authenticated from decades of research by Dr. Sue Eakin, who rediscovered the original narrative as a 12-year old in 1931 and made it her life's work. Best Sellers Rank: #1 in Books > Biographies & Memoirs > Historical > United States > Civil War

#1 in Books > History > Americas > United States > Civil War #5 in Books > Audible

Audiobooks > Biographies & Memoirs > Historical & Political Figures

Customer Reviews

If you were, like me, looking to read *Twelve Years a Slave* and were looking through the various Kindle versions of the book, stop right here -- you've found the version you want. For just a dollar the Eakin "enhanced version" is absolutely loaded with historical features, annotations, and pictures that add tremendous depth and context to an amazing story, and is easily the best version on .The Northup book itself is, of course, marvelous. As slave stories go, this one is, in my view, without peer. Northup's s captivating tale -- which has gained attention because of the movie that shares the book's title -- is told in exacting detail with an easy prose. He sets the stage masterfully, describing people and places before proceeding into the narrative. Unlike works of fiction, this book is so compelling because, by all accounts, it is true. There is no polemical axe to grind, as with *Uncle Tom* (a novel at one point wryly referenced by Northup). Here you see both the brutality of slavery and the moments of kindness by slaves and even some slave owners. Solomon tells the story with clarity and intelligence.Because *Twelve Years a Slave* is in the public domain, I initially searched for free copies elsewhere. Unfortunately, the free versions I found on other sites were pretty badly formatted, so spending a dollar for a polished version on proved worthwhile. That said, while most of the versions are while noticeably cleaner than the free site versions, nearly all of the entries are barebones versions with no extra material, and most of their introductions, such as they are, are done by novelists or movie producers. That's fine, but at the end of the day they're not historians.Sue Eakin is.
