# The Vampire's Mail Order Bride: Nocturne Falls, Book 1

## **Synopsis**

Welcome to Nocturne Falls, the town that celebrates Halloween 365 days a year. The tourists think it's all a show: the vampires, the werewolves, the witches, the occasional gargoyle flying through the sky. But the supernaturals populating the town know better. Living in Nocturne Falls means being yourself. Fangs, fur, and all. After seeing her maybe-mobster boss murder a guy, Delaney James assumes a new identity and pretends to be a mail order bride. She finds her groom-to-be living in a town that celebrates Halloween every day. Weird. But not as weird as what she doesn't know. Her groom-to-be is a 400-year-old vampire. Hugh Ellingham has only agreed to the arranged setup to make his overbearing grandmother happy. In 30 days, whatever bridezilla shows up at his door will be escorted right back out. His past means love is no longer an option. Not if the woman's going to have a future. Except he never counted on Delaney and falling in love for real. Too bad both of them are keeping some mighty big secrets....

## **Customer Reviews**

The Vampire's Mail Order Bride left me surprised on so many levels. First I was surprised how light hearted this was. It's really a total cute & fluffy PNR. I kinda expect this to be more, well, I don't know actually. Just I guess her previous works I've read are heavier- less cute. Which doesn't actually have any impact on how much I enjoy reading Painter's works. Just like with every other book I read of hers, VMOB is written superbly well. Painter's prose is as always beautiful and has depths. So no surprise here. Just utter enjoyment. The story line. Well, let me tell you. I thought after reading around 10% that I had it all pegged down... and then I got surprised. Because well this is a

fun, cute PNR. And we set out with the whole Mail Order Bride thingy.... hence I thought, well I got it all worked out.. Then Painter went and changed the ballgame, and left me well surprised. She managed to do that on several occasions in this novel. Every time I thought - I have it all worked out... she gave the story a different twist. So the plot is action packed, fun, cute and with some great surprises. The character building was done well. And again there were characters I kinda thought I had totally worked out, then Painter threw me out of the loop by simply showing a different side to them. Saying this I should mention, that I wasn't surprised by how meticulous Painter's character building was. It's just like in her previous works. Well done. I liked the MCs, loved their sense of humour. But I more so enjoyed the entire crew. I really feel like I got to know the crew from Nocturnal Falls - and I wanna read more about them. Talking about humour. This is really witty. It's a fun take on the entire PNR craze and it had me snickering on many occasions.
