## Customer Reviews

LOVE this book. Whether you are interested in finding out for yourself or simple curiosity it is a wonderful reference. It is easy to read, in the usual format these books follow, the information is well presented and a great quick guide to various Earth based religions. It is worth the price just for the pages on "Telltale Signs of a Pagan Personality", which may be a surprise (pleasant or not!) into your tendencies. If you are reading this you probably already know that Pagans do NOT believe in the devil, so they aren't worshipping him. Highly recommend this book for a good overall basic book.
