Into The Storm (The Riverdale Pony Stories Book 3)

Synopsis

Pony-mad Poppy McKeever is delighted when she wins a riding holiday for two in the Forest of Dean. The twelve-year-old invites her best friend Scarlett to join her and the pair arrive at Oaklands Trekking Centre full of excitement. Poppy is dismayed when she is handed Beau, a hairy, bumbling piebald cob with a wall eye and a stubborn streak - the antithesis of her beautiful dappled grey Connemara Cloud. Things go from bad to worse. Poppy fails miserably to click with Beau and her friendship with Scarlett reaches breaking point. She is confronted by a sinister man in a silver saloon who is trying to track down the owner of the trekking centre, struggling single mum Nina. But before Poppy can uncover the man's true identity a brutal storm rips through the forest, threatening the lives of the Oaklands horses. There is only one way she can save them. And that is to place her trust in the horse she has battled with all week. This is the third novel in The Riverdale Pony Stories.

I enjoyed this ebook! It was filled with the unexpected! So, I would like to rate this as a five star kids' ebook and wish to recommend it for kids ages 9-14+ who loves to read horse stories, too! I received this for free through Kindle Unlimited and in return, here is my honest review. Great job Amanda! By Angela

This was a charming story. I fell in love with Beau instantly, and loved how the writer took such care to describe each of the horses individual personalities! All of the Riverdale pony stories have been real page turners, and so enjoyable I have recommended them to several people. I would love to have a horse like Beau in my life, his bravery had me cheering him on :)
